Read the following:-

The Government direct that before issuing fitness certificates, Motor Vehicles Inspectors should carefully examine the upkeep of the vehicles concerned and refuse to issue fitness certificates unless the vehicles are maintained at a high standard of efficiency. They will no doubt bear in mind that the adoption of a uniform standard of check will not be sufficient for achieving the object and that in the case of vehicles of the older model a higher standard of check and a more frequent inspection of the vehicles while on the road is necessary. The Secretary, Central Road Traffic Board is requested to issue suitable instructions to the Motor Vehicle Inspectors and Assistant Motor Vehicle Inspectors.
